

## Statement of Prop 65, POPs and PFAS

Dear valued customers:

Regarding Prop 65, POPs and PFAS requirement, over 1,000 substances are listed and specific required testing data is not specified. We are not intently to add any of these substance during our production process, but haven't proceeded 3rd party testing report for your reference now. Generally speaking, we could meet material requirement as follows:

- Pb≤1000ppm
- Cd≤100ppm
- Hg≤1000ppm
- DEHP≤1000ppm
- DBP≤1000ppm
- BPA=0
- PFOA/PFOS<10ppm

Each size and color part number are usually in the way below.

CBHFT600\*\*\*  
HST\*\*\*  
CBDWT\*\*\*\*  
CBTT\*\*\*  
CBHFTTM\*\*\*
